Le Château d'Artigny, Montbazon

www.artigny.com

Overlooking the Indre valley, its white stone visible from far off, the majestic Artigny Castle is a Belle Epoque dream given form by the famous perfume creator, François Coty. Grounds stretching over 60 acres, a French-style garden, marble, wainscoting, trompe l'oeil frescoes - nothing was too beautiful for this stately home now transformed into an elegant castle-hotel.
